Traction Engines Archives - PRESTON SERVICES

Maxitrak - This version shows to good effect the style of the typical British agricultural traction engine with spoked flywheel, brass topped chimney, open crank and wheels with rubber tyres. These engines where used for threshing, sawing and general farm work. This engine is an accurate model based on the Burrell Agricultural Engine Prince a 7HP single cylinder Tractor, Works No.3728.

Maxitrak - 1 Inch scale Burrell Agricultural locomotive

The real key to the project, though, is a set of plans for a full-size 65 hp Case steam engine. Wally re-drew the plans to 1/4 scale and had the drawings certified. The result is a stunningly accurate model of the real McCoy. "I've been told it's the most authentic 1/4-scale Case around," he says, "and I believe that.
