International edition textbooks are books that are published by the international counterparts of educational publishers.

Educational publishers have a global reach and thus publish their books in the United States and all over the world. Most often they do this to cut down on their own costs of printing and shipping.

What To Know About International Edition Textbooks ...

Consider international editions - textbooks that have been published outside the US. These books are usually significantly cheaper than textbooks published in the US. Offering tremendous value, international edition textbooks are created to be sold

Download Ebook College Books International Edition

in different regions and are often printed on cheaper paper and are usually softcover.

International editions are generally paperback, lower quality paper (think phonebook-quality). Some books may have units measured in metric, which may cause issues when doing problem sets. Pagination may be off by a few pages when compared to the US version of the textbook. Not as easy to sell when you no longer need the book.

International Edition Textbooks. Students enrolling in college for the first time, or those returning to school after a few years, are often shocked when a visit to the campus bookstore reveals that the books required for their studies come at a very high cost. Individuals wishing to further their education without applying for excessive loans can reduce

expenditures significantly by shopping online to acquire books that are nearly the same as those in the bookstores but with much lower prices.

International Edition Textbooks | SlugBooks

An international edition textbook has been published at a lower production cost for sale in foreign markets. Distributors overseas then re-sell the titles to customers in other parts of the world at a much lower price. International edition textbooks save students an average of 50% over the prices offered at their college bookstores.

Buying International Edition Textbooks

Download Ebook College Books International Edition

An International Edition textbook is simply the international counterpart to a US Edition. Most international editions have slightly different covers, many have different ISBNs on the outside covers (although some have the same ISBN as the US edition on the inside), but are still printed on high-quality paper. International Edition textbooks may have an international label on the cover.

However, the actual figure being spent on textbooks is \$415 per year, according to the National Association of College Stores. While a significant factor in this disparity comes down to students who simply don't buy the books, there are also many students who buy earlier editions or recycled ones.
