New York Times bestselling author Elizabeth Lowell cuts a new edge in suspense with a thrilling tale of passion and international intrigue. Emma Cross abandoned the blood, guilt, and tribal wars of CIA life for the elite security consulting firm St. Kilda's. Now she's tracking the yacht Blackbird, believed to be carrying a lethal cargo that will destroy a major American city . . . in just seven days. Emma's partner, MacKenzie Durand—a former special ops killer well-honed in the world's nastiest regions—is more dangerous and unpredictable than the worst enemy she's ever faced. And other eyes are watching Blackbird as well—cold and calculating, looking to alter the geopolitical balance through violence and terror. In a deadly game where the rules change without warning, Emma and Mac must find answers or watch the innocent die in unthinkable numbers. The race is on—and there's no telling who will cross the finish line alive . . .

“This author delivers pure, undiluted excitement.” —Jayne Ann Krentz “Romantic suspense is her true forte.” —Minneapolis Star-Tribune “Elizabeth Lowell’s keen ear for dialogue and intuitive

characterizations consistently place her a cut above most writers in this genre.” —Charlotte News & Observer Perennial New York Times bestselling author Elizabeth Lowell boldly puts the romance back into romantic suspense with *Beautiful Sacrifice*—a story of passion and intrigue centered around the ancient Mayan prediction of the apocalyptic end of everything. Lowell’s thrillingly imaginative tale unites a dedicated female archaeologist with a former Immigration and Customs Enforcement Officer on a mission to recover priceless South American artifacts that could bring deadly chaos into our world. *Beautiful Sacrifice* is action, suspense, and love on a bestselling par with Lisa Gardner, Linda Howard, Jayne Ann Krentz, and Nora Roberts...and exactly the sort of romantic adventure that inspired Johanna Lindsey to declare, “Lowell is great!”

*The Search For Her Sister Could Cost A Woman Her Life* Christy McKenna, the smartest fashion writer in New York, thought she'd escaped her childhood in the impoverished rural West. Then came a call for help from the one person she could not refuse—her sister, the internationally celebrated model known only as Jo. Jo's plea draws Christy back to the magnificent mountains and mysterious red-rock canyons of the Four Corners country. But she's too late—Jo has disappeared. However, Christy does find an unlikely ally in outlaw archaeologist Aaron Cain, and together they pursue Jo and a fabulous cache of ancient Indian artifacts worth millions. Christy and Cain clash at every turn, but their antagonism soon turns into partnership—and blazing passion.

In New York Times bestselling author J.A. Jance’s timely thriller, *Ali Reynolds* faces her most controversial mystery yet: the murder of a man whose Ponzi scheme bankrupted hundreds of people, and left them seeking justice...or revenge. When Ali’s parents lose their life savings to a Ponzi scheme, her father goes to confront his longtime friend and financial advisor, only to stumble upon the scene of a bloody double homicide. With her father suddenly a prime suspect, Ali and her husband work to clear his name and seek justice for her parents, as well as the rest of the scheme’s suddenly impoverished victims. But if Ali’s father is innocent, that can mean only one thing: one of the others is a stone cold killer. Publishers Weekly promises “series fans will enjoy this highly personal case.” Provocative and gripping, *Clawback* is further proof that no one writes suspenseful thrillers quite like J.A. Jance.

In this “heart-stopping” (Publishers Weekly) page-turner from New York Times bestselling author J.A. Jance, *Ali Reynolds* finds herself working against the police to clear two innocent names. Former reporter Ali Reynolds finds herself working against the police to add up the clues that connect one frightened teenager, two dead bodies, and \$300,000...with the body count rising. Hired to investigate the grisly murder of a gold-digging divorcée on behalf of the woman accused of the crime, Ali Reynolds is immediately drawn to the case of the secretive teenager who found the body. A. J. Sanders was in the Camp Verde desert to retrieve a mystery box buried by his absent father—a box that turns out to be filled with hundreds of thousands of dollars’ worth of poker chips. When a second body is found in the desert, it seems the three cases are more closely related than anyone could have imagined. Though Ali’s friends in the police department grow increasingly irritated by her involvement, Ali must stop a ruthless killer from claiming another victim...before she is lost in this game of deadly stakes.

“Elizabeth Lowell has long set a standard of excellence for thrillers that never stint on either romance or suspense.” —BookPage New York Times bestselling author Elizabeth Lowell cuts a razor-sharp new edge in romantic suspense with *Death Echo*, a thrilling tale of passion, danger, and international intrigue. A breakneck-paced novel that unites a beautiful former CIA agent with a tough and haunted ex-Special Forces operative, *Death Echo* is a top-rank thriller in the vein of Iris Johansen, Tami Hoag, and Lisa Gardner—and a dazzling example of the superior storytelling that inspired author Jayne Ann Krentz to declare, “I’ll buy anything with Elizabeth Lowell’s name on it.”

Roger McGeary, a brilliant software engineer, has gifted himself with an upscale cruise in honor of his

fortieth birthday. When he falls to his death from the balcony of his stateroom suite, the incident is quickly declared a suicide. Joy Anderson was innocent, young, and trusting when she met Gabe Venture. An aspiring journalist with worlds to conquer, Gabe came to New Mexico to explore the natural wonders of Lost River Cave, with Joy acting as his guide. Surrounded by staggering beauty, they both surrendered to a passion too powerful to deny—and Joy gave herself freely to the most extraordinary man she had ever known. But Gabe was destined for great things, and so he left Joy with memories, a broken heart . . . and, months later, a cherished, if painful, reminder of their lost love: a daughter. Seven years have passed, and Joy—now a respected professor—has put what once was behind her, though the memory will always remain alive in the light that shines in the eyes of her beautiful child. Now Gabe has returned. Fresh and alive with rich, bold emotion, Elizabeth Lowell's classic love story shines anew, proving once and for all that an already accomplished novel of poignancy and power can be remade into something truly remarkable.
