About the book: It's really about not losing our mind when it comes to the most basic of our needs- feeding ourselves. Dieting is not about deprivation of food, on the contrary it's about providing our body with the right kind of nourishment. Funny, easy to read and full of great advice, it argues that we should return to our traditional eating roots (yes, ghee is good), nutrients are more important than calories and, most importantly, the only way to lose weight is to eat and enjoy...

**Rujuta Diwekar**

Simplicity is profound Don't lose your mind, by complicating something as simple as feeding yourself (although these words appear in smaller font on the cover, they are really the bigger message). Losing weight, as you will realise by the end of the book (I hope), is incidental.
