The teacher guide accompanies the student activities books in macro and microeconomics for teaching collegelevel economics in AP Economics courses. The publication contains course outlines, unit plans, teaching instructions, and answers to the student activities and sample tests.

When a giant new supermarket moves into the neighborhood, Lucy's grandpa plans to sell his store. But with the help of friends and neighbors, Lucy is determined to keep this from happening. In another of her loving and lively portraits of community caring, DyAnne DiSalvo-Ryan tells the timely story of what can happen when the whole neighborhood gets involved. *2001 Notable Children's Trade Books in the Field of Social Studies (NCSS/CBC)*

Written by a senior examiner, Ray Powell, this AQA A2 Economics Student Unit Guide is the essential study companion for Unit 4: The National and International Economy.This full-colour book includes all you need to know to prepare for your unit exam: clear guidance on the content of the unit, with topic summaries, knowledge check questions and a quick-reference index examiner's advice throughout, so you will know what to expect in the exam and will be able to demonstrate the skills required exam-style questions, with graded student responses, so you can see clearly what is required to get a better grade

DT

DT These highly successful revision guides have been brought right up-to-date for the new A Level specifications introduced in September 2000.DT Oxford Revision Guides are highly effective for both individual revision and classroom summary work. The unique visual format makes the key concepts and processes, and the links between them, easier to memorize.DT Students will save valuable revision time by using these notes instead of condensing their own.DT In fact, many students are choosing to buy their own copies so that they can colour code or highlight them as they might do with their own revision notes.
