Isaiah challenges the people here, in spite of how matters seem, to keep the faith and to stand on the promises of God. This is not an insignificant message. It is more than just "Touch your neighbor and say, 'my victory is on the way'" panacea for the present pain.

The congregation loved the song "Standing on the Promises! It spoke their "heart" language. I would learn later in my doctoral studies that the Christian music that speaks to us most as individuals, is the music of our conversion (that is, the music sung at the time and point in our lives where Christ becomes real to us).

Shows parents how to establish a faithful Christian culture in their homes and offers parents a guide to raising children using biblical principles.

This is a re-issue of a Jim Moore general interest book, first published in 1995, with a study guide by John Schroeder added. From the previous back cover: Are you standing on the promises, or just sitting on the promises? Do you claim and embrace and celebrate the great promises of God that are underscored again and again in the Bible? Or do you sit lifelessly and listlessly on the remote edges of the church, responding halfheartedly to its message? James W. Moore awakens us with these questions and reminds us of the awesome promises of God that are found in the Bible. On page after page of the Scriptures, God gives us generous and gracious promises which we can claim and rely on. Dr. Moore shows that when we fail to lean on God and trust in these promises, we open ourselves to many frustrating, embarrassing, even painful experiences. Yet when we truly "stand on the promises," we discover the richness and fullness that God intended for our lives.

In this fearful and cynical age, when doom and gloomers forecast catastrophe and fear mongers try to get us to hedge our bets on the future with insurance policies and safety nets, we need to re-discover real hope. Lewis Smedes says, "Hope is as native to our spirits as thinking is to our brain. Keep hoping, you keep living. Stop hoping, you start dying". He shows how hope powers every good thing we accomplish and helps us overcome every bad thing we encounter. He talks about how to keep hope alive in difficult times, discern false hope from true hope, and move beyond worry to trust in God.

The culture in which we live is an infectious and polarizing wilderness. Facing the challenges of society will require strength outside of us to be successful. It will require faith in God, through His Son Jesus Christ, to address hate, injustice, implicit bias, division, poverty, anti-Semitism, etc. Now more than ever, we must stand on the promises of God through obedience to His Word and not sit on His promises if positive change is to take place in our culture through Christianity. As the scriptures tell us, "For unto us a Child was born, a Son was given, and the government is on His shoulders; and His name is called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace" (Isaiah 9:6). God promises victory to those who believe, obey His Word, and stand on His promises.

Book two of the Standing on the Promises trilogy. After this groundbreaking, deeply moving trilogy about black LDS pioneers was first published, modern-day descendants came forward with further information, photographs, and more detailed history. The pieces in this collection are stunning, superbly crafted settings of beloved hymns, songs, and spirituals. The styles range from classical to gospel, jazz, and everything in between. These arrangements will take some preparation, but Marilyn Ham arrangements are always worth the effort!

One thing is for certain, we serve a God that wants you to succeed in relationships. More importantly, your singleness matters to God. God wants you to discover who you are in Him while single. Prayerfully, if you are single, God wants you to understand your value and that you can experience victory even when you are by yourself. Singleness is not a curse. Your value doesn't decrease. Your worth shouldn't be questioned. No one should ever look over you because you are focused on your relationship with Christ. If you have ever felt lonely, experienced depression because you are single, cried yourself to sleep because someone broke your heart, this devotional is to help restore those broken pieces. This is the perfect time-while single-to become who God has called you to be. You are a royal priesthood, a chosen generation, and your relationship with Christ is the most important relationship that you and I have to steward over while single. Desperation will encourage you to get ahead of God and settle, but destiny will inspire you to wait on God's best. I made a choice over twenty years ago, as a teenager, to pursue purity and the presence of God. I made a vow to God that I would stay single until my heart lined up with God's Word. I prayed that God would use my singleness to help this next generation and young adults to have a strategy to deal with singleness in a kingdom way. Single Until is a resource to embrace your singleness and to walk in the confidence of the Lord.
