Who are the Sky People and what is the Sky's Eye? What do they have to do with the ancient document held by the Triplet family since 1099? What is the purpose of the mysterious stone, kept with the document? Why was the document written in thirteen different languages? Does the number thirteen provide a clue? When translated, what is the ultimate power the document speaks of? Sir Richard and his 'family' begin a quest for the answers. Unfortunately, he and his group aren't the only ones looking for this ultimate power. His opponents already have a two-day head start. Their journeys will lead them to the cradles of civilisation, but where does their journey start? What will they discover at the end? Why are James and Donna so important to this quest? What about the situation between Richard and Donna? Is he still lying to her? Did he send the threatening letter? Everyone, including Joyce believes Richard would be the logical choice. Richard swears he didn't send it, but if he didn't then who did? Who sought Joyce's help through a mysterious phone call to the Complex? Would Joyce regret the choice she made? Where does Kate fit in? Does she hide a secret of her own? Is Tom an ordinary little boy, or is he special like James and Donna? Why does he know so much about the Dine'é Yá? Who told him? Who is Candice Stuart and what important part will she play in James's future?

Up-to-date, comprehensive coverage of the Oracle database and business intelligence tools Written by a team of Oracle insiders, this authoritative book provides you with the most current coverage of the Oracle data warehousing platform as well as the full suite of business intelligence tools. You'll learn how to leverage Oracle features and how those features can be used to provide solutions to a variety of needs and demands. Plus, you'll get valuable tips and insight based on the authors' real-world experiences and their own implementations. Avoid many common pitfalls while learning best practices for: Leveraging Oracle technologies to design, build, and manage data warehouses Integrating specific database and business intelligence solutions from other vendors Using the new suite of Oracle business intelligence tools to analyze data for marketing, sales, and more Handling typical data warehouse performance challenges Uncovering initiatives by your business community, security business sponsorship, project staffing, and managing risk

This IBM Redbooks publication is a companion to IBM System Storage Business Continuity: Part 1 Planning Guide, SG24-6547 . We assume that the reader of this book has understood the concepts of Business Continuity planning described in that book. In this book we explore IBM System Storage solutions for Business Continuity, within the three segments of Continuous Availability, Rapid Recovery, and Backup and Restore. We position these solutions within the Business Continuity tiers. We describe, in general, the solutions available in each segment, then present some more detail on many of the products. In each case, the reader is pointed to sources of more information.

This document brings together a set of latest data points and publicly available information relevant for Platforms & Applications This document brings together a set of latest data points and publicly available information relevant for Platforms & Applications periodic publication immensely.

Mallory Westin was born into power. But when her family's quest for more power caused her a broken heart, she turned her back on the only life she ever knew. Now a successful owner of a security firm, she's determined to forge her own path. But sometimes one's past isn't so easy to leave behind. Mallory has to take control of the power she was destined for after discovering her politician father is involved in an assassination plot. Things only get worse as the one man she's always loved becomes a target as well. Reid Simpson had loved Mallory since they were teenagers. Then one night changed everything as she suddenly broke his heart. For years, he escaped the pain as he built his resort and casino empire. He pushed her from his mind, if not his heart. As Reid encounters increasing danger, he finds that Mallory is the one by his side trying to protect him. Can Reid and Mallory work together to uncover the assassination plot while avoiding the pain of the past? Or will they discover that love has a way of conquering all?
