Strategic Management for Tourism, Hospitality and Events is the must-have text for students approaching this subject. It introduces students to fundamental strategic management principles in a tourism, hospitality and events context and brings theory to life by integrating a host of industry-based case studies and examples throughout.

STRATEGIC MANAGEMENT: Creating Competitive Advantages, 3/e, by Dess, Lumpkin, and Eisner, responds to the demands of today's rapidly changing and unpredictable global marketplace that students will face when they enter the business world. The concepts-only text provides students with a timely, rigorous, and relevant book written in an engaging manner to spur their interest and excitement. This book provides a solid treatment of traditional topics in strategic management as well as contemporary topics such as entrepreneurship, knowledge management, and e-commerce and internet strategies. Numerous applications from business practice plus sidebars (approximately six per chapter) bring key concepts to life. Instructors can create their own case volumes for use with Strategic Management 3rd Edition from a variety of source- pre-selected case packets, customizing from a recommended set which have been carefully mapped to the chapter concepts, or from the entire Primis database which features cases from Harvard, Darden, INSEAD, Ivey, and other reputable sources.

The second edition of the book is richer in contents with updated concepts on strategic management. The entire text is restructured and fine-tuned to meet the needs of the students pursuing MCom/MBA/PGDBA and identical courses. The book, now divided into four parts, is focused on providing the readers broad perspectives on formulation of strategy, its processes, implementation as well as evaluation so as to assess its effectiveness. The book brings into fore the learning that a strategy is good if it passes the test of feasibility, acceptability and suitability. Now, the text incorporates 44 live cases of successful, reputable organizations, which have excelled as a result of application of strategic planning/strategic thinking in formulation and implementation of their strategies. Besides, references have been made of the practices in 65 successful global companies while discussing the concepts and practices. **NEW TO THE SECOND EDITION** Beginning with an overview of strategic management, the text analyzes important topics such as • Environmental macro- and micro-factors of the organization, which underline success of an enterprise • What develops sustainable competitive advantage in organizations • Eight implementation techniques which are helpful in successful implementation of strategies • Evaluation of strategy and GE-McKinsey matrix on measurement of organizational success • Role and traits of strategic leadership for successful implementation of strategy in face of uncertain, turbulent and complex global market • Learning from the case study on Mobil company

Strategic Management: Text and Cases, written by the highly respected author team of Dess, McNamara, and Eisner, continues to provide readers what they have come to expect of this title: solid treatment of traditional strategic management topics, application of strategic management concepts to real-world examples, and interwoven contemporary themes revolving

around globalization, technology, ethics, environmental sustainability and entrepreneurship. This edition's case package has been thoroughly revised to maximize freshness and engagement. It continues to emphasize relevancy and currency and to offer up-to-date financial data and videos to match each case. All cases focus on companies familiar to students. In this edition, five are new (Campbell Soup, General Motors, Avon, Tata Starbucks, and Greenwood Resources) and twenty-six have been thoroughly revised (Apple, eBay, JetBlue, Johnson & Johnson, and Zynga to name just a few of the familiar favorites). The case package continues to offer both full-length and short-form cases, giving instructors and students unparalleled quality and variety.
